FOIA DOT/OST 2018-0049; *American Oversight v. U.S. Department of Commerce et.al. (18-534)*

Dear Mr. Evers:

This is an *interim* response to your Freedom of Information Act (FOIA) request dated November 1, 2017. You requested calendars¹ for the following individuals:

- Secretary Elaine Chao
- Deputy Secretary Jeffrey Rosen
- Chief of Staff Geoffrey Burr
- Deputy Chief of Staff

You also requested any calendars maintained for the Secretary's Conference Room, the Deputy Secretary's Conference Room, and "The Lincoln Room."

Enclosed is a CD-ROM containing the daily calendars for: (1) Secretary Chao for the time period January 31, 2017 through March 31, 2018; (2) Deputy Secretary Rosen for the time period May 23, 2017 through March 31, 2018; (3) Chief of Staff Burr for the time period April 3, 2017 through March 28, 2018; and (4) the Lincoln Room for the time period January 20, 2017 through March 31, 2018.

The enclosed calendars are in a daily format and provide basic information regarding the meetings. Certain information has been withheld pursuant to FOIA Exemption 6. 5 U.S.C. § 552(b)(6) and 49 CFR. 7.23(c)(6). Examples of information withheld under Exemption 6 include staff leave and personal reminders (typically shown at the top of the page), names of individuals being interviewed for jobs, certain telephone numbers, and other appointments of a purely personal nature.

¹ Per your request, calendars is defined as "any calendar—paper or electronic, whether on government-issued or personal devices—used to track or coordinate how these individuals allocate their time on agency business."

Additional redactions have been made pursuant to FOIA Exemption 5. 5 U.S.C. § 552(b)(5) and 49 CFR 7.23(c)(5). Information withheld under Exemption 5 includes titles or portions or titles of meetings where even release of the title of the meeting would harm the agency's deliberative process.

We are continuing to work on an expanded version of the calendars that includes the names of meeting invitees, any notes, and names of any meeting attachments. Because we were processing your request along with numerous other FOIA requests for the calendars, and we were well into processing the calendars in the enclosed format before we were aware of the specific format sought, we continued processing and now enclose the daily format version of the calendars.

As we have indicated to the court, the expanded version of the calendars for the Secretary, Deputy Secretary, and Chief of Staff will be produced by December 31, 2018.

Also, at the time the records were pulled, there had not been anyone serving in the Deputy Chief of Staff role; therefore, there are no responsive calendars for a Deputy Chief of Staff. In addition, there are no calendars for the Secretary's or Deputy Secretary's conference rooms.

Sincerely,

Digitally signed by KATHLEEN M RAY
